Basketball	Game Time
Homework Help	Movie Time
Cheer Camp	Intramural Football
Math Tutoring	Robotics
Yearbook	Dungeons & Dragons
Computers	Student Council
G.I.R.L.S Club	TV Production

Registration forms are available in the front office.

Mr. Fred Wilson, Program Director (561) 540-3443

CHOICE ACADEMIES*

Pre-Medical Sciences

Students in the Medical Sciences Academy follow an intensive 3-year high school preparatory program, which emphasizes science, mathematics and language skills. Using an innovative, integrated learning environment our goal is to prepare students to be able to successfully enter a high school Medical Academy.

Pre-Teacher Education

The Pre-Teacher Education Academy offers an exciting and innovative learning environment designed to give students a foundation in early childhood development, prepare students for entry into high school Early Childhood/Teacher Education academies, and to motivate young people to pursue careers as teaching professionals.

Band

The Band Academy centers on building a solid foundation of musical knowledge. Connections with history, culture, technology, and art are reinforced with a varied curriculum to develop fundamental musicianship, technical skills, and aesthetic awareness all while developing a well-rounded student, a lifelong music lover, consumer and participant.

Dance

The Dance Academy offers students the opportunity to study and gain competitive skills in the fine art field of dance. Students will develop fundamental skills and technique in ballet, modern, jazz, tap and hip hop while exploring movement terminology, musicality, choreographic concepts and dance theory.

**Pre-Medical Sciences, Pre-Teacher Education, Band, and Dance Academies are Choice Programs open to students from outside the attendance boundary for LCMS. The Cambridge Academy is an In-House Academy. Therefore, only students zoned for LCMS may apply.*

OUR SCHOOL

Lantana Community Middle School is dedicated to providing children with an exceptional middle school experience. Our mission is to develop a well-rounded student, and to assist them in realizing their full potential as responsible, productive, contributing members of the community. Lantana Community Middle School cultivates an educational environment in which students are challenged, excellence is expected and differences are valued.

CAMBRIDGE CURRICULUM

Lantana Middle School is proud to be a Cambridge International School. The Cambridge Lower Secondary curriculum is a highly rigorous track ideal for gifted and honors students. The spiraling curriculum encourages and supports creativity, critical thinking skills, and problem solving. Students who complete the Cambridge Lower Secondary curriculum will be prepared to begin an AICE Diploma program in high school.

ACCELERATION OPTIONS

Students have the opportunity to earn high school credit* in:

Algebra 1 Honors
Geometry Honors
8th grade Medical Skills and Services Honors
